COMPANY PROFILE

DPI Trading, a Division of Incledon (Pty) Ltd and a member of the DAWN Group of Companies, has been established to take advantage of the needs required within the Infrastructure, Agricultural and Engineering Markets of the Western Cape.

DPI Trading story begins with a joint venture in February 2003, whereby DPI Plastics (Pty) Ltd, which included a number of JV black empowered businesses in the Coastal regions and Incledon (Pty) Ltd partnered to be the

largest black empowered Engineering and Civil Wholesaler/Merchant in the country at that time.

The branches of Cape Town and George operated in the Western Cape as DPI Phumela (Pty) Ltd, as a black empowered Joint Venture wholesaler/merchant of DPI Plastics (Pty) Ltd.

During 2006 and early 2007 the Dawn Group of Companies acquired the total interests of DPI Plastics (Pty) Ltd (Manufacturing); DPI Phumela (Pty) Ltd (Trading and Civils), various other independent Joint Venture Merchants (Civils) with DPI Plastics (Pty) Ltd, as well as DPI Trading (Pty) Ltd.

Further to this in late 2007 Dawn acquired the assets of Waterlinx Pumps & Irrigation (previously Stewarts & Lloyds Technical Division SALTECH) division which were then incorporated into, what is now today DPI Trading.

DPI Trading now provides a comprehensive range of 17000 preferred, highly recognised brands of Pipes, Pipe Couplings, Flanges, Valves, Pipe Working Tools and Threading Machines, HDPE Pipe Systems, Pumps, Water Meters, Irrigation for residential and commercial systems, all of which are used in the Engineering, Industrial, Mining, Municipal, Civil, Agricultural, Plumbing Merchant, Residential and Irrigation Market Sectors.

DPI Trading imports and distributes products and services utilised in the conveyance of water, gas, oils and liquids. Through the combined resources within the Infrastructure Cluster of the DAWN Group of Companies offers the largest consolidated quality product offering in its industry.

DPI Trading has branches in Cape Town and George, and is today a proud member of the DAWN Limited Infrastructure Trading which associates with the Infrastructure Manufacturing arm, which includes DPI Plastics, Swan Plastics, Sangio and Ubuntu/Boseng.
